Retreat: "Catholic and Living It! Walk in the Light"
Easter has broken in once again and with it, our awareness of the gift of Christ in our lives. Jesus announces, "I am the light of the world," and we who have experienced darkness know what a gift that is. Together, we will reflect on the light of Christ: how it breaks into our darkness; how we are called to be light-bearers for one another; and what that means in a world where darkness, at times, seems to reign
