Convention Information for

Voting Delegates – Accredited Delegates – Members

Each CWL Parish Council is entitled to send **one Voting delegate** (President or a designated representative) plus **two Accredited delegates** (executive members or general members) to the Diocesan Convention. It is strongly recommended that each Council send at least these three delegates so that the Council and its members are adequately represented. If there is only one member from a parish council attending, she should register as the Voting delegate with the President's designation. A Life Member should register as a Life Member rather than as a council Accredited delegate and an attempt should be made to find another member to be the council's Accredited delegate. Please register in only one category.

Elected Officers of the Diocesan Council and Honorary Life Members and Life Members holding a membership in the Archdiocese of Edmonton have Accredited status. Other Convention delegates are registered as Members.

Voting and Accredited delegates complete Credential forms along with their Registration.

Voting delegates may vote on all Motions. Voting delegates must bring to the Convention the results of the instructed votes held at their parish meetings to have their instructed votes recorded at the time the votes are taken during the business sessions. Please note that instructed voting will occur with no discussion on the proposals.

Accredited delegates may vote on all Motions EXCEPT the election of officers, amendments to the Constitution & Bylaws, and increase in per capita fees (C&B XV.2 (b)).

Registration for accommodation is separate. Please make your own arrangements well in advance.

Remember that it is an important responsibility of Parish Council Presidents to attend the Pre-Convention (Fri. Apr29) and Post-Convention (Sun. May01) meetings. If this is not possible, arrange for another council member to attend on the council's behalf.

This is a SCENT-FREE Convention.
