Convention Information for *Voting Delegates – Accredited Delegates – Members*

Voting and Accredited delegates will complete Credential Forms to determine the voting and accredited delegates, in keeping with the practice at the National level of the League.

Each CWL Parish Council is entitled to send one Voting delegate (President or a designated representative) **plus** two Accredited delegates (executive members or general members) to the Diocesan Annual Meeting. It is strongly recommended that each Council send at least the voting delegate so that the Council and its members are adequately represented at Diocesan Meetings. If there is only one member from a parish council attending, she should register as the Voting delegate with the President's designation.

Life Members holding a membership in the Diocese of Edmonton and elected Officers of the Diocesan Council have Accredited Status. Other Convention delegates are registered as Members.

Voting delegates may vote on all Motions. Accredited delegates may vote on all Motions EXCEPT the election of officers, amendments to the *Constitution & Bylaws* and increase in *per capita* fees (C&B XV.2. (a)(b)). A procedure for voting electronically and attending the meeting will be provided at a later date. All registration fees have been waived.

A credential form for your council has been attached. Please complete as soon as possible after selecting your voting and accredited delegates to Marguerite Critchley at edmontoncwl.secretary@gmail.com by May 10th at the latest. How to join the meeting will be sent out once we receive the returned credential form.
