

THE SYNOD FOR THE AMAZON: ONE YEAR LATER

New Paths for the Church in Latin America and Canada

You are invited to begin your Lenten reflection by participating in an online webinar which will center on the themes of the Synod: ecological justice and Indigenous rights. It will expose participants to what happened at the Synod from the point of view of Latin America, as well as what this means for the faith lives of Canadian Christians. Connections will be made to current issues of structural racism, “decolonializing” the church, and international solidarity today. The webinar features speakers Archbishop Murray Chatlain, Mauricio Lopez Oropeza and Sister Mariangel Marco Teja.
