## 9. Shelter History Book

Rose-Marie McCarthy presented an overview of the women's shelters in Edmonton. In 2017 a committee was formed to write the history of the women who were founders of the sheltering movement for women in Edmonton in the late 1960's. Many members of the Catholic Women's League were involved and almost all councils contributed.

The Overnight Accommodation Center was funded by the Provincial Government and handed over to the City Centre Church Corporation. After 5 years, a shelter for battered women and their children was created, now known as WIN House, leading to the establishment of WINGS, Lurana, Safe Place and other rural shelters in our diocese.

Though the budget to publish this history book was \$21,000, the committee was granted only \$7,000. The committee is in need of funds. The Book is expected to be available in 2020.

The Edmonton Diocese is made up of many dedicated and faith filled group of women. We had a full slate of officers elected in April 2019. We have been busy since the Diocesan Convention. Officers' meeting has been held, the first in July was a full planning day to explore each of our roles and to begin to set our direction for the coming year. Meetings held to plan our annual Fall Meeting to be held in Wetaskiwin, September 28<sup>th</sup>.

Diocesan priorities were established based on feedback from our Annual Convention in Lloydminster in April as follows:

- 1. Incorporate and encourage participation in the National theme "Care our Common Home" focusing on Rejoicing in God's Gifts through our standing committees and speakers at meetings and events.
- 2. Provide support to our Parish Councils
  - a. Provide workshops/training for struggling with membership and finding members to take on leadership roles.
  - b. Encourage Councils to streamline process
  - c. Improve communication with Parish Councils
    - i. Continue Buddy System
    - ii. Provide in service training for new executives.
- 3. Modernize Diocesan Level
  - a. Reduce the number of meetings
  - b. Reduce the number of zones to 4 regions

  - d. Eliminate duplication

  - a. Encourage participation in GrACE
  - b. Continue to promote palliative care and right to life initiatives
  - c. Develop partnership to support families and women through support of CSS, Women's Shelter, Homeward Trust

The committee reviewing our Zone Structure, now chaired by President-Elect and Organization Standing Committee Chair, Clover Oryschak met over June, July and August consulting with members to develop the recommendation approved at our April Convention to replace zones with regional meetings. The final recommendation has been prepared and will be presented this afternoon for debate and possible implementation.

Planning in underway for a Diocesan retreat co-sponsored with Knights of Columbus to be held Monday, October 28<sup>th</sup> at Corpus Christie Catholic Parish, Edmonton. Fr. Richard Leonard, SJ will

lead an evening retreat entitled "On a Mission with Christ", focusing on the eight elements Pope Francis has challenged the church to adopt in terms of our mission. Kara Pelech will provide details in her report.

As a Diocesan Council, we will be seeking other opportunities to partner with organizations to co-sponsor events for our members. This will include other events in cooperation with the Knights of Columbus such as the March for Life, working with the Catholic School Districts promoting GrACE in support of catholic education and to support other spiritual growth activities.

The Diocesan Council was represented on the Archbishop's Dinner Advisory Committee. Members are invited to attend the event on October 4<sup>th</sup> at the Shaw Conference Center. The purpose of the dinner is to communicate the Archbishop's vision and to annually update accomplishments and annual priorities in the Archdiocese. Tickets are \$100.00 and can be obtained through the Chancery Office.

Seven of the Diocesan Officers attended the National Convention in Calgary in August. All the officers came away with a renewed sense of commitment. The presentation of Fran Lucas, "The League of the Future: Year 1" resulted in lots of debate among our officers and we asked Fran to make this presentation at this Fall Meeting. The question box "Ask Anne" was also a highlight as many questions and interests were addressed. Something to consider for our meetings or convention.

## b) Secretary, Marguerite Critchley, reported -

This is my first Fall Meeting as Diocesan Secretary. I am still learning the duties of the position, with the help of my fellow Diocesan Officers.

My priorities for reporting will be focus on accuracy and clarity.

I have updated the Parish Council Presidents Roster which is in your packages. Parish Presidents, please review the current Roster and let me know of anything that still needs changing. Some of your terms as President will end at the end of the year. It's essential that you inform me of the changes.

The Diocesan Officers, Zone Chairs, Life and Honorary Life members rosters are updated as changes occur.

Each Parish President should have received a call from your Diocesan Buddy or Zone Officer. During this call you updated us on any new information required on the roster; and, informed your parish buddy of any concerns you may have.

During your Parish buddy call, you were asked to send me, a list of your executive members. I plan to create a list of committee chairs from each council in order to assist executive members in contacting others in the same committee. For example: a Christian Family Life committee

chair may want to share ideas with other Christian Family Life committee chairs in other councils, thus providing yet another resource to assist you in your ministry. When complete, I will send this cross-reference list to all Parish Presidents to share with their executives.

As far as registration, everyone here should have signed in at the registration desk, on the appropriate sheets. If you have not yet signed in for today, please do so.

I like to express a huge thank you to all council secretaries for your dedication and service.

This concludes my report. Are there any questions?

## c) President-Elect, Organization, Clover Oryschak reported –

- Decline in Diocesan membership (about 200 members/year)
  - Similar declines are being experienced across Alberta, Canada, parishes and other Catholic organizations
  - Need to reach out; if every member invited one other Catholic woman this year, this would double our membership within one year – please take this on as a council goal
- Make sure your council is recognizing its members through service pins, the maple leaf service award, and Bellelle Guerin award
  - Celebrate the gifts and talents each woman brings to your council, and the dedicated service each woman provides
  - Recognition for hard work and dedicated service help all members feel appreciated, noticed, and valued – regardless of years of service, age or position held.
  - This year, try to find a way to tell each member of your council how much you
    appreciate the gift they are to the League this may be a private thanks, a
    personal note, a public recognition at a meeting, scroll, certificate, pin or award.
- Build a culture of sisterhood within your council
  - Look out for each other, support each other, and encourage one another
  - Women join the Catholic Women's League for a variety of reasons (eg interest in service, to strengthen their faith, or to make new friends in the parish) but women stay because of a sense of purpose and the deep friendships that form
  - Likewise, encourage other Catholic women in your family to join (daughters, grand-daughters, nieces, cousins, and sisters)
- Zone Restructuring Workshop this afternoon
  - Please look at the zone and regional maps on display find your council, take a look at the newly defined regions where Midwinter Workshops would be held, and review the final report from the Zone Restructuring Sub-Committee if you have not already
- Parish Buddy calls took place early to mid-September did you get yours?
  - If you did not hear from your Parish Buddy, let me know we may have old contact information for your council that needs updating

 You can also follow up with your Parish Buddy – the list of parish councils by Parish Buddy is posted at the Organization table for your information.

## d) Communications, Susan Casey reported –

This committee has been involved in the following activities:

- Learning to use our website platform as this is a new skill that needs to be gained in order to add content to the website and keep it updated. Updating the website will be done frequently so all members are encouraged to access the website on a regular basis. The website also contains a calendar of events so if any of the parish councils who have events they would like posted they are encouraged to contact the Communications Standing Committee Chair via email at edmontoncwl.communications@gmail.com.
- Collating and organizing photos, biographies and convention reports for the Fall newsletter, which will be published shortly and will be posted on the Diocesan CWL website for all to access. Once the Newsletter is published it is recommended that parish council presidents make copies available to those members who are unable to access a computer.
- Participated in the parish buddies activity which involves contacting parish council presidents to provide updates, get feedback, gather information and provide help when needed. Most importantly, the parish buddies provide parish council presidents a contact person within the diocesan council.
- The Communications Standing Committee is searching for members to join the committee. If there are any members who have experience with website design and manipulation or newsletter design and formatting; they are encouraged them to speak to me or contact me.

Members are also encouraged to access the Provincial and National websites which provide updates as well as links to a variety of the useful sites.

#### e) Mary Pat O'Neill, Resolutions and Legislation reported -

## **Resolutions:**

The following is new information with respect to the Resolutions Process as provided by our National Chairperson of Resolutions, Cathy Bouchard, at the National Convention on Sunday, August 18<sup>th</sup>, 2019.

Firstly, a major change in the resolution process by CWL National is that "Whereas Clauses" are no longer to be presented as part of the resolution. Thus, by removing the "Whereas Clauses" the entire emphasis is now placed on getting the statement "Resolve Clause" for the issue to clearly focus on the League's position. Therefore, the resolved clause is now referred to as "the Resolution" for the purpose of the motion and debate.

Secondly, because a resolution is meant to reflect the League's policy and what members could think as to become policy, your council members should be asked to review the resolve clauses

and brief, focusing on questions such as "Is this an issue for the League?"; and, "Is this resolution timely?"

Lastly, resolutions should **not** be shared outside of your CWL Council until adopted because of the risk of being reported out of context or shared with the media.

Please continue to work closely with your chairperson of resolutions and your members to review previous resolutions and to draft new ones.

## Legislation

Legislation is social justice in action. Encourage your Council Chairperson and/or your members to monitor legislation at all levels of government. Significantly, it is important to ask your local MP to be put on their mailing list to receive information so that you can attend public forums and report back to your council.

For your perusal, recently posted on our Diocese website, <a href="www.edmontoncwl.org">www.edmontoncwl.org</a> you will find a brochure published by Canadian Conference of Catholic Bishops titled "Voting as Catholics 2019 Federal Election Guide" providing information on "Voting: a Right and Responsibility" and "Working to Building a Better Society".

May we continue to share resources and ideas with you and your members as we work together. In particular, if you would like a Council workshop on Resolutions or Legislation kindly contact me at Edmontoncwl.resolutions@gmail.com
