MEMO

DATE: April 4, 2022
FROM: Sr. Susan Scott, Lead Goal 2, Implementation Committee
TO: Provincial Presidents
ENCL: Year 4 Collaboration with Faith Organizations Application

The implementation committee needs your help! Due to a lack of applicants, the “Collaboration with Faith Organizations” working group requires four members. The committee is reaching out in the hope that someone in your province is interested in joining this group.

The “Collaboration with Faith Organizations” working group has the responsibility to “identify specific faith organizations with similar purpose, core values and missions” and “clarify the manner that collaboration will take place with other faith organizations”.

Please forward this at your earliest convenience to your diocesan presidents so they can, in turn, circulate it to parish council presidents and anyone they feel might be suited to and willing to join this working group.

Please find the enclosed the advertisement and application questions **due on or before April 22nd**.

Applications can be submitted to projects@cwlc.ca. If there are any questions regarding this invitation, please e-mail Kerri Sylvester at projects@cwlc.ca.

Thank you for your support in this request, your continued work for the League, and the role you play in ensuring the success of the implementation of the strategic plan.
